

LMA Donates Almost \$6,000 at Break-A-Thon

What an incredible expression of generosity and community spirit by the **students and staff of Lee's Martial Arts!** CISR greatly appreciates this donation of \$5,626.75, which will help us continue providing mentors and family liaison services free of charge to students who are at-risk of school failure. We believe that it is through education and partnerships such as this that the cycle of poverty and inequity can be broken, and kids will be able to reach their full potential.
